

Walkers, supporters raise more than \$200,000 statewide for the 21st Annual Delaware AIDS Walks

This year's AIDS Walk committee would like to extend an enormous THANK YOU to everyone who donated their time, energy and money to make the 2007 Delaware AIDS Walks the BEST in the history of the Walk in Delaware! All three Walks -- held in Wilmington, Dover and Georgetown -- saw more growth in the number of Walkers and the amount collected from each Walker. "This Walk shows what hard work and collaboration can achieve," said Peter Houle, executive director of the Delaware HIV Consortium. "Thank you to each and every person who made this year the best yet!" Make sure to save the date for next year's Walks -- Sunday, Sept. 28 and Sunday, Oct. 5 in Dover. The Committee is currently discussing the possibility of moving the Sussex County Walk from Georgetown to Rehoboth in 2008.
